If you missed the excellent January meeting, Carol Darrow presented the history of CGS and the Denver Public Library partnership. Jaymie Middendorf, DPL Librarian, gave a presentation about resources in the library. Both recorded presentations can be viewed on the CGS website in the members only section. The Denver Public Library is offering genealogical workshops via Zoom. More information can be found at: https://www.denverlibrary.org/events/upcoming?program_types%5B7665%5D=7665 .

Congratulations and many thanks to Nancy Ratay, who is celebrating 20 years as the Editor of The Colorado Genealogical quarterly magazine. She and a dedicated group of volunteers are working hard this year to help CGS celebrate 100 years with articles and pictures that tell the history of CGS. I got a sneak peek at the February edition and it's wonderful! Check the website for the link to the quarterly, and your mailbox if you subscribe to receive a hard copy.

THANK YOU to Connie Janousek and Becky Clark for volunteering!! Connie is our Program Speaker Coordinator and Becky Clark is our Program Editing Coordinator.
